CITY DIRECTORY ADVERTISING PAYS

EVERY user of this, **INDISPENSABLE** and **MUCH** consulted publication—is a **POTENTIAL BUYER**, or requires professional service, or counsel.

DAILY IMPRESSIONS COUNT: Your CITY DIRECTORY is in use EVERY day.

Those who PROMINENTLY display their business in the CITY DIRECTORY will receive the attention of the BUYING POWER represented in its users.

Are you properly displayed? If not why not write us regarding advertising rates for the next edition?

The CITY DIRECTORY is the Only Medium Published for Complete Information

REGARDING:—

FIRMS, INDIVIDUALS, FRATERNAL ORGANIZATIONS, SERVICE CLUBS, LOCATION OF STREETS, ETC., BECAUSE IT CONTAINS:

STREET GUIDE—

For those planning routes, deliveries, sales campaigns, etc., this section is invaluable. The names of business places and householders are listed, giving street number of each.

The starting points of all streets, also the intersections are shown. This last feature enables strangers and those not familiar with the streets to easily locate people (after having found the address, etc., in the Alphabetical section).

ALPHABETICAL SECTION—

The names of ALL (including wives) over 18 years of age appear in this section. THE CITY DIRECTORY IS NOT JUST A LIST OF SUBSCRIBERS OR HOUSEHOLDERS ONLY, but CONTAINS THE NAME OF EVERY ONE OVER THE ABOVE MENTIONED AGE which could be obtained by an Actual HOUSE TO HOUSE AND BUSINESS TO BUSINESS CANVASS.

Not only the name appears but also the address and OCCUPATION in the case of each individual and the NATURE OF THE BUSINESS, in the case of each firm.

The status of the individual is noted—that is if the person is a householder the letter (h) is used, if a boarder (b), roomer (rms), thus adding to the value of this section.

CLASSIFIED SECTION—

This contains a list of all the business places under their business headings. It is of great assistance to those trying to locate firms or business men whose names they do not know. It pays to be properly classified.

IT IS OFTEN THE LINK BETWEEN BUYER AND SELLER.

This, too, is not just a list of subscribers but contains the names of every business place, etc., in the city. A charge is made for extra classified headings and progressive business men realizing the need of having their firm name and products known, use this means of advertising their business.

MISCELLANEOUS SECTION—

Here can be found the names of Federal, Provincial, County, and Civic, Officials, Institutions, Fraternal Organizations, Service Clubs, Schools, Churches, Public Buildings, etc.

NO OTHER PUBLICATION CONTAINS the Combined Features Mentioned Above.

"There is hardly anything in this world that some man cannot make a little worse and sell a little cheaper, and the people who consider price only are his legitimate prey."

—Ruskin

NOTHING is gained by beating down prices — for the printer who cuts prices must skimp on material or workmanship — or both; and sooner or later he is out of business.

Good work means good printing on good paper; this means satisfaction all 'round.

You will be inteiligently and satisfactorily served by us.
